

2GX

THE TILITE 2GX. TECHNOLOGY ENGINEERED TO EMPOWER.

WHY TITANIUM?

Reason No. 1: Titanium Absorbs Vibration.

Reason No. 2: Titanium Won't Break.

Reason No. 3: Titanium has the Highest Strength-to-Weight Ratio of Any Metal on Earth.

TILITE INNOVATION.

- TiLite's exclusive **Rigid Folding Mechanism "RFM"** increases performance by reducing flex in the side frames.
- **NEW Easy Fold RFM** makes folding the 2GX a breeze.
- **"Tru-Fit" System:**
 - Reduces the number of holes in the frame, improving durability.
 - Allows for easy adjustment and reduces set-up time.
- **Adjustable Camber Mount** incorporates TiLite's Tru-Fit System with up to 5" of Rear Seat Height adjustment.
- **Bullet** caster housing adjusts to accommodate the greatest range of users.
- **Performance 5-Spoke Soft Roll Wheel** weighs just 1.6 ounces, 40% lighter than the original 3-Spoke Wheel.

CUSTOM CONFIGURATION THE TILITE WAY.

Custom configuration is when you are able to select options and components on a chair to meet your needs. While other companies offer some custom configuration, TiLite offers the widest range of options from which to choose. More choices mean more ability to truly create a custom configuration of options that best meets your needs. Choice matters and that is why TiLite offers more options than any other manufacturer! The choice is yours.
